### The Portable Bar Company Warranty

We have a one year manufacturer's warranty that covers parts with manufacturing defects. The warranty also covers standard ground shipping **within the continental US** of faulty parts for up to one year from the delivery date.

The warranty does not cover misuse, abuse, incorrectly reported shipping damage, normal wear-and-tear, or damage that would be prevented by following the instructions in our maintenance and care guides.

To move forward with a warranty claim we need pictures emailed to [info@theportablebarcompany.com](mailto:info@theportablebarcompany.com) that clearly show the issue discussed along with a statement describing the issue. Then we need an invoice number or a tracking number so we can quickly and correctly identify the parts needed to resolve the claim. We will be in touch within one business day. If you need a replacement piece by a certain date please include that date in the warranty claim email or call us.
