

Flash Bar Setup Guide

- **Read all the instructions before installing.**
- **Remove all packing materials before you start.**
- **This installation requires basic mechanical skills.**
- **Proper installation is the responsibility of the installer.**
- **Product failure due to improper installation is not covered under the warranty.**
- **Keep this instruction manual.**

Note: This setup requires 2 or more persons.

STEP 1: Start by joining the side frame and feet together. Tighten the feet up with thumb screws.

Figure 1

STEP 3: Install the lower ACP panel by aligning the four posts located at the sides of the ACP panel with the tabs on the side frames.

Figure 3

STEP 2: Follow the figure below (2) to install the foot rail.

Figure 2

STEP 4: Install the upper ACP panel the same way you installed the lower ACP panel.

Figure 4

STEP 5: Put the shelves in place by sliding them in the side-frame channels.

Figure 5

Straight Add-on Assembly
